## Songs and Rhymes!

### I'm a little Turkey

(tune of I'm a little tea  
pot)

I'm a little turkey

Singing away

Gobble, gobble, gobble

Is what I say.

I like to spread my

tail and

Strut this way;

Just waiting for

Thanksgiving Day.

I'm a little turkey

See me grow.

Eating lots of corn

I move quite slow.

When the skies turn gray  
and Cold winds blow,

Go to the barn

And watch for snow.

I'm a big fat turkey

Round and wide.

Now I just waddle

From side to side.

When I hear the farmer

Just outside

I know it's time

To run and hide.

### HOW DO YOU MAKE A PIZZA GROW?

How do you make a pizza grow?

You pound and you pull and you stretch  
the dough

And throw in tomatoes and oregano.

Pizza platter for twenty-two

Pour on the oil and soak it through.

Pizza slices for forty-four,

Chop up onions, make some more.

Pizza pie for sixty-six

With mozzarella cheese that melts and  
sticks.

Pizza, pizza for ninety-nine

With pepperoni sausage ground-up fine.

Pizza, pizza stretch the dough.

Pizza, pizza make it grow.

## The Good Food Song

(Tune: "Old MacDonald Had A Farm")

Vegetables are good for me, EE I EE I O

And so I eat them happily, EE I EE I O

(Children take turns naming vegetables  
that they like)

With a carrot, carrot here, and a carrot,  
carrot there

Here a carrot, there a carrot

Everywhere a carrot, carrot.

Vegetables are good for me,

EE I EE I O.
